COMPONENT LIST:

NOTES:

- A 3mm Diameter Cable Suspension System for Ceiling-to-Countertop Mounting Installations – this configuration features a comprehensive cable fixing set, including a 4M (13' 1-1/2") long cable that offers exceptional installation flexibility. The cable can be precisely shortened on-site to fit your specific spatial requirements. Designed for dual-purpose use, this versatile system accommodates both ceiling-to-countertop installations, ideal for creating floating displays above work surfaces or bars, and ceiling-to-floor setups, perfect for free-hanging displays.
- B Specially designed cradle shelves are available for use with Standard Bordeaux Wine Bottles (750mL; 292 x 75mm). The overall shelf size is approximately 15" wide x 12" deep and can accommodate one to three bottles each.
- C The shelves are attached to the cables using CR303/SS supports and securely locked into the desired position with set screws, using the supplied hex key.

Hardware Finish: All fixings, components supplied in stainless steel finish.

This wine rack display features 12" x 15" acrylic shelves with a three-bottle depth, elegantly suspended using 3mm stainless steel cable display system. Designed for ceiling-to-countertop installations, it combines sleek acrylic and durable stainless steel components to create a modern, space-efficient solution for showcasing your wine collection.
